## Mayor backs 'one issue per person' policy at town forum

AXMINSTER Mayor Douglas Hull says restricting public forum at town council meetings will not erode the democratic process as there are efficient alternatives available.

Regular town council attendee David Samways slammed the mayor for only allowing one issue per person, saying: "What is the point of having a council meeting open to the public if you are not

allowed to say anything? That is what the town council used to be about: answering people's questions.

"You are not going to encourage people to come to council if there are no questions."

Town forum is the part of the meeting where members of the public can address councillors by raising matters of concern and ask questions.

The duration of town forum has always been "at the discretion of the mayor," but previous post holders have – albeit sometimes reluctantly – allowed more than one issue per person.

But Mayor Douglas Hull introduced the one item per person rule when installed last month.

He told *Pulman's View*: "Town forum is open to the mayor's pleasure. I had to make my mind up as to whether or not we sit there and go through numerous things stoked up for a month.

"We have a council to run and sometimes the

questions go on and on."

He stressed that he has a weekly surgery on Thursday mornings in the Guildhall, and that the town council office is staffed by people who are happy to log any issues and subsequently inform himself or involve any other relevant person or authority.

Mr Samways, who himself is no stranger to raising more than one taxing issue per meeting, admits that some meetings have dragged on, but he thinks that it is a price worth paying.

He said: "Yes, sometimes they (meetings) have dragged on. But I thought they would have to listen to everyone – that is what it is all about."

The mayor added: "I think I am reasonable about it. If approached before a meeting about emergencies, I will allow more than issue."

"I have pointed out I have a weekly surgery and people can come into the office. The council is there for more than one night a month.

"Things shouldn't fester for three weeks. I'm dealing with abandoned cars at the moment because the people concerned didn't wait until the next meeting, but called me."

### Council co-opts for Weycroft and Raymonds Hill

LARA Rowe and Joy Raymond have joined Axminster Town Council through co-operation for Weycroft and Raymonds Hill wards respectively.

Lara won the vote 9-4 over Martin Spurway to regain a place on the council, having lost her seat in May's election.

Joy got nine votes to take the vacant Raymonds Hill seat, followed by Ian Hall on four votes and Ruth Churchill on three.

## From the editor's chair Letting the public speak

AS a critic of local government, people have often said to me "instead of moaning about it, why don't you put up for council yourself"?

That would be a bit difficult in East Devon as I don't live in the area – but I did try it once in my home town, serving for one four-year period and rising to the dizzy heights of mayor for one year. In fact, I was the town's youngest mayor at 34, a rather dubious record I still hold.

It was much easier being a councillor in those days. There was very little politics around and there was much less consultation with – and scrutiny by – the public. If you did a poor job, you got voted out at the next election.

Today, the electorate have a much greater say, particularly during public sessions at council meetings where they have their own forum.

We like these sessions because they often produce better stories than the council debates.

But they often add greatly to how long a council meeting takes. The new town mayor in Axminster, Douglas Hull, has put his foot down

and is allowing a member of the public to speak only on one subject, encouraging them to attend his weekly surgery and not allowing problems to fester for three weeks.

Brave man!

● GLOWING tributes have been made this week from all quarters of Ottery St Mary following the death of John Gaffney, a true community champion.

As editor of the greatly admired *Ottery Gazette* community magazine, John provided a much needed service, giving superb support to the town's many community groups.

When *Pulman's View* launched into Ottery, we soon became aware that the *Ottery Gazette* was the bible as far as the town was concerned and we would never emulate its success.

The economics of running newspapers in this day and age make it impossible to compete with parish publications like the *Gazette*. Hopefully, it will continue to fill that void.

**Philip Evans**

## OTTERY ST MARY Town mourns its community champion

**HEARTFELT** tributes have been paid to one of Ottery St Mary's most dedicated community champions, John Gaffney, who died suddenly of a heart attack last week.

Friends, family members and readers of his monthly parish magazine, the *Ottery Gazette*, remembered him as a "true gentleman" and a selfless community servant dedicated to the town.

Local councillors, business owners and community leaders were united in honouring an "irreplaceable" individual who played a huge part in supporting the town's clubs and organisations and was made 'Citizen of the Year' in 2014.

Mayor of Ottery, Councillor Glyn Dobson, said Mr Gaffney's death would be a "great loss" to the town.

"John will be truly missed," he said.

## SOUTH SOMERSET Broadband decision to be made behind closed doors

**A MASSIVE** £640,000 broadband decision will be taken behind closed doors by South Somerset District Council (SSDC).

The crunch special meeting of the District Executive will be held at SSDC headquarters on Thursday, June 25th.

But the updated, 20-page plus meeting report is confidential and members of the press and public will be asked to leave the chamber while councillors decide whether to contribute £640,000 to the roll-out of superfast broadband.

On June 4th the District Executive decided to seek more information before

## SIDMOUTH Vandals target Blackmore Gardens

"**MINDLESS**" vandals have caused hundreds of pounds worth of damage to unique floral displays in Blackmore Gardens – just a few weeks before Britain in Bloom judges arrive to inspect the town.

Community leaders have called on visitors to Sidmouth's beautiful gardens to be vigilant and report any suspicious activity to the police, following two separate incidents last week.

An intricate 'Wind in the Willows' display, featuring a half-ton toad sculpture, was ripped up and thrown to the ground overnight on Monday, less than 24 hours after a Loch Ness Monster figure was also knocked down.

Sidmouth in Bloom volunteers, who spent the following day replanting the displays, say up to £200 worth of damage was caused.

"This is mindless destruction," said Lynette Talbot, chairman of the Sidmouth in Bloom committee.

## HONITON

### Old Legion building is an 'awful eyesore'

**HONITON'S** derelict Royal British Legion building has become an "awful eyesore" that will blight the town unless urgent action is taken to develop the site, frustrated residents have warned.

The former community hall – one of Honiton's most distinctive and popular venues – has fallen into a state of severe disrepair and is now being monitored by police.

Almost four years after it was suddenly closed, angry residents are seeking answers about the building's future.

They say the neglected hall is being "laid to waste" and that it reflects badly on the town.

Tony Smith, 76, a former member of the Legion's Honiton branch, lives in Ashleigh Road only a few hundred yards from the building. He said he was saddened to see it in its current condition.

"I grew up in east London during the Second World War. My father was away fighting and we didn't see much of him, but when he came home one of the first things he did was re-enlist at the local Legion club," he said.

"Here in Honiton it was a real part of the community. There was an elderly lady who lived near me who had her lunch there every day. When they closed it down she didn't know what to do. That was the impact it had."

"It's now absolutely derelict and for a long time the main entrance was a tip. I'm quite surprised the town council has done nothing about it."

"It's a real worry for the people who live nearby – they have no idea what's going on there."

Chris Sinden, president of the Honiton branch, added: "The building is just laying there wasting. We are very frustrated about it. There is also some civic concern about it and we are keeping our fingers on the pulse – but unfortunately we are powerless."

# Crumbling wall causes traffic chaos

STONEY Lane in Axminster is expected to be shut until some point at the end of the week.

The closure, which has caused traffic disruption, was forced by fears that a house wall could collapse onto the road.

East Devon District Council has entered the unoccupied property under emergency powers, and a spokesperson said on Thursday June 18th: "As suspected, the wall is in imminent danger of failing and so work will commence today on the demolition of a three-metre length of the wall from essentially road level up to the eaves.

"Unfortunately this work is more extensive than was originally envisaged.

"However, once the work is complete the wall will be safe in the medium/long term enabling the owners plenty of time to undertake the reconstruction of the wall or other works as appropriate.

"All being well the road will re-open at the end of the week with no temporary cordon or any restrictions in place."

The deteriorating and unoccupied building has been on the radar of the authorities for some time.

A spokesperson for East Devon District Council (EDDC) said: "We have been closely monitoring the condition of the wall for about six months now.

"During this time the wall has shown a slow decline in its condition and was being treated as a non-emergency case as it was not considered to be dangerous.

"However, as the wall has declined, greater measures have been necessary to prevent a danger to the public.

"A few weeks ago the area of the highway immediately adjacent to the wall was cordoned off to protect the public as a result of us working with Devon County Council (DCC).

"Under the legislation we are required to take the minimum measures necessary to protect the public and for a while this cordon was providing the necessary protection while we pursued the owners of the property.

"We initially had some success in contacting the owners of the wall and it appeared that action would be taken to address the situation, but no action was forthcoming. We now understand that this was a result of a death in the family."

EDDC embarked on the route of obtaining a court order, but the urgent nature of the issue means action could be taken quicker.

The spokesperson explained: "We had commenced work to obtain a warrant from a local magistrate to enter the premises to assess the condition of the wall in greater detail and evaluate the necessary works with a view to serving a formal notice to

by Anders Larsson

[anders@tindlenews.co.uk](mailto:anders@tindlenews.co.uk)

require the owners to undertake the required works. However, the condition of the wall has declined markedly.

"Unfortunately, the owners are currently not in a position to undertake the necessary works.

"As a result of the risk to public safety this matter has been escalated to an emergency case and it has been necessary for DCC to close the road.

"The use of our emergency powers allows us to now enter the site without the need for a warrant and to undertake the necessary works ourselves.

"We appreciate that some people in the town have been frustrated due to a perceived lack of action in this case.

"Unfortunately our powers are quite limited unless the wall is a danger to the public and only become really strong when there is an imminent danger, as there now is.

"We have therefore throughout this process taken action that was proportionate to the risk to public safety and commensurate with the powers available to us.

"We hope that the residents of Axminster will understand this and will tolerate the inconvenience of the road closure and any disruption our contractors cause in making the wall safe."

## Beds to return to Axminster Hospital end of next month

IN-PATIENT hospital beds will reopen at Axminster Community Hospital on Wednesday, July 29th after a successful recruitment campaign.

Last month it was announced that enough nurses had been found to reopen 16 beds, and the precise date has now been set.

A statement issued by Axminster Hospital League of Friends and Axminster Hospital Action Group said: "We, together with Northern Devon Healthcare NHS Trust (NDHT), are pleased to be able to announce that the in-patient beds are set to return to Axminster Community Hospital.

"Staff will have in-house training for two days from July 27th before patients are admitted on the 29th.

"It has been a hard-fought campaign which has resulted in this success and a great deal of joint working and recruitment with NDHT.

"This would not have been possible without massive support from the community, who have wholeheartedly supported the League of Friends and the action group and no doubt will continue to do so.

"We are very grateful too for the existing staff who have continued to work in uncertain times, those who

are returning after working in other local hospitals and we extend a very warm welcome to all the new members of staff."

An open day will be held on a date to be confirmed to show off the hospital.

The joint statement explained: "The local community will always give their support and help in any way they can.

"There will be an opportunity to see a large part of the hospital including the Conybene unit."

The recruitment campaign was made possible by the League of Friends offering £300,000 for the beds to be reinstated at Axminster.

● THE final decision on the long-term future of in-patient hospital beds at Axminster will also be taken in July.

NDHT is contracted by NEW Devon CCG to manage a string of community hospitals – but this arrangement could change if the latter decides to concentrate in-patient beds to a smaller number of hospitals.

A proposal to do just that proved extremely unpopular in Axminster, and has been fiercely opposed by the League of Friends and hospital action group.

■ RESIDENTS at Magnolia House in Axminster took part in their annual quiz, with nearly 100 residents from three other care homes around Pulman's Country also taking part. The top three quizzers won themselves lunch at The Hare & Hounds in Sidbury

## Next phase of Stop Line Way

WORK on a new phase of the Stop Line Way walking and cycling route, between Seaton and Colyford, got under way on Monday, June 8th, writes Anders Larsson.

Devon County Council says it will take 16 weeks to complete the one-kilometre off-road connection from the cemetery, near Marsh Lane, in Seaton, to Colyford Common, near the junction of Seaton Road/Popes Lane in Colyford.

The route was granted planning permission in September 2011.

Councillor Stuart Hughes, Devon County Council Cabinet Member for Highway Management, said: "This is another important step in the development of The Stop Line Way as it continues to take shape, and this trail is a major asset in Devon's growing cycle network."

"When The Stop Line Way is complete it will provide a link which will offer locals and visitors with the opportunity to explore this part of our county, and to walk and cycle safely between towns and villages. This route will also provide better access to Seaton Marsh Local Nature Reserve."

The Stop Line Way is part of the National Cycle Network, Route 33.

The proposed route closely follows, and is named after, the Second World War defences built following the evacuation of the Allies from Dunkirk as the Devon and Cornwall coast was considered too long to defend.

Many of the concrete pillboxes and anti-tank gun emplacements remain along the line and can be seen from parts of the cycle route.

Councillor Sara Randall Johnson (Honiton St Michael's Ward), said: "I'm delighted that work has finally started and I can't wait for its com-

pletion so that I can enjoy my first journey along The Stop Line Way."

"Thanks must go to the landowners and people of Colyford who have been very supportive of the route and have made it possible."

"Like them, I also hope that further progress is made as soon as possible."

Councillor Jim Knight (Seaton Coastal Ward) was equally enthusiastic and commented: "It's great to see this long-awaited facility coming to fruition to bring visitors into Seaton and the surrounding villages."

"It will also provide a safer way of walking to the cemetery that has been long awaited, as there are areas within Seaton that have no pavement."

"Families will be able to enjoy a morning or day out with the knowledge that their children will be in a safe environment."

The Stop Line Way is being developed in sections for ease of delivery.

Previous sections of the trail, which have already been completed, are: Trafalgar Way, which opened in December 2009; Aldercar, under the A35 into Kilmington parish, which has been in use since September 2011; and Cloakham to Weycroft which opened in December 2012.

In Devon, the route stretches from Seaton Promenade to the county boundary passing through Axminster and will be a largely traffic-free footway and cycleway.

A key link will be with Axminster Railway station. When complete the trail will form a 70 mile link from the Bristol Channel to Lyme Bay, passing through Devon, Somerset, and Dorset.

Work on the Seaton to Colyford stretch is being carried out by JTT Contracting Ltd.

# Ice cream machine for HALFF

AN ICE cream machine proved a popular addition at Millwey Rise Youth Group's cooking session.

Continuing its support of charity Health and Local Food for Families (HALFF), River Cottage presented a £180-cheque plus an ice cream machine to HALFF's cooking sessions with the youth group. River Cottage head chef Gelf Alderson presented the gifts on Tuesday, June 16th.

The sessions, held at Millwey Community Centre in Axminster and also funded by the Gibbons Family Trust and Devon Community Foundation, provide hands-on cooking experience for youngsters aged 7-16 years.

At the end of each session, everyone gets to sit down together and enjoy the meal and pudding they have prepared. HALFF co-ordinator Hannah Newman said: "We choose dishes that will appeal to the young people as well as introduce new ingredients.

"Our cooks work with the group to follow the recipes and prepare the meals."

■ ICE CREAM PARLOUR: Gelf (holding the cheque) and the rest are keen to start the ice cream machine (front)

"It can be a great confidence boost to see the results of your hard work being eaten, the feedback is usually very positive with plates scraped clean."

HALFF will use the ice cream machine use across all its projects, including at The Food Hub in South Street. HALFF director Tiggy Parry said: "We are grateful for the continued support of River Cottage and thrilled with this new piece of equipment."

"Our homemade healthy ready meals are already very popular and to be able to offer homemade ice cream alongside these at the shop this summer will be very exciting."

Head chef Gelf Alderson led a session creating iced treats with the youngsters, and said: "We are really happy to continue supporting HALFF in their brilliant work within the Axminster community and in particular with the Millwey Youth Group."

"I have joined a couple of youth club sessions and love cooking with the gang there, using local, seasonal produce from the HALFF store and coming up with new recipes for them to try."

"We hope the donations of the ice cream maker and money towards future cookery sessions this year will further strengthen and build on HALFF's achievements."

# Grand new arrival

■ CLASSICAL SELECTION: Back row: Mrs Maby, Ms Ashby, Mr Jevons. Middle row: Megan Gilding (Year 9), Lauren Roberts (Year 9) Playing: Ciaran Murphy (Sixth Form) Front right of piano: Amelia Speers (Year 9)

by Anders Larsson

[anders@tindlenews.co.uk](mailto:anders@tindlenews.co.uk)

THE arrival of a piano at Axe Valley Community College in Axminster prompted a recital of classical material.

Formerly known as A Chamber Music Recital, students and staff put it on to celebrate the acquisition of a grand piano for the main hall from St Mary the Virgin Church, Axminster.

The college is extremely grateful to both the Reverend John Streeting and Axminster Care Service for their support and generosity.

The recital consisted of a mainly classical repertoire of instrumental and vocal solos, duets and a cou-

ple of pieces for the string orchestra and chamber choir and included music by Mozart, Handel, Vaughan Williams and Satie among many others.

Head of music Jon Jevons congratulated those who took part, and said: "All of the students who participated performed extremely well."

"Some of the music was very technically demanding but was performed with great panache, style and expression."

His special thanks also went to staff members Mrs Maby, Ms Ashby, Mrs Elliott, Mrs Stuttaford and Ms MacDonagh for all their help and support.

Headteacher Martin Smith commented: "We are delighted with the new grand piano."

"It enables the music department to widen the repertoire of high quality musical events at the college."

"An enormous thank you to the Reverend John Streeting and the trustees of the Axminster Care Service for their generous support."

### Medical practice meeting

AXMINSTER Medical Practice and its Patients' Participation Group (PPG) have started a series of public consultation meetings.

The first one was held in Dalwood, and the second one will be in Axminster Guildhall on Thursday July 9th, starting at 5pm.

Issues on the agenda will be the increasing challenges facing the practice, why change is needed and the options being considered.

In a joint statement practice manager Linda Coombs and PPG chairman Mike McAlpine said: "The meetings, which will be facilitated by

the PPG, are intended to generate a debate that will be challenging, open and informative.

"The aim is to enable patients to influence the plans being considered to improve the service offered and address the urgent need for change.

"The practice wants to have meaningful engagement with its patients before decisions are made later this year – this will not be just a talking shop. We are serious about consultation.

"We need to hear your views and ideas. To influence the debate and have your say, please come along."

■ AXMINSTER Health & Wellbeing Centre threw open its doors on Saturday June 13th for a garden party to which everyone was invited.

Visitors could mingle, meet therapists, have a taster session and enjoy refreshments in the garden.

The event raised £260 in just three hours.

The photo shows staff, therapists and visitors enjoying the delights and refreshments of the centre's back garden.

## Police net four in vehicle stops

FOUR drivers were caught for various offences when Special Constables cast a net over Axminster's outskirts, writes Anders Larsson.

Operation Betony was led by Special Sergeant Piers Layburn and was carried out by a total of nine Special Constables on Saturday, June 6th. It was the third in a series of operations targeting crime in rural areas.

Operation Betony involved stop-checks on vehicles and subsequent searches if necessary.

Special Sergeant Layburn said: "This is the third time we have carried out an Operation Betony in the Axminster area.

"The majority who we pull over and speak to are

extremely positive about the operation, as it reassures them that we are in the area and taking rural crime seriously.

"As well as running checks on the vehicles, we speak to the driver and passengers about rural crime and run through a number of anti-crime measures that the public could take to help reduce the chance of them becoming a victim.

"In total over 60 vehicles were stop-checked with one driver being reported for no insurance, two for no MOT and another being arrested for driving under the influence.

"We are looking to continue carrying out these operations across East Devon."

# Weather stays fine for festival

THE elements were on the side of Axe Vale Festival organisers, who were extremely pleased with the event which took place last weekend.

Festival chairman Tony Benger didn't want to hazard a guess on how many people attended over the two days.

He said: "There are so many places with tickets, so I can't even give a ballpark figure."

But Mr Benger did say that, compared to last year, the figure appeared to be slightly down on the Saturday but definitely up on the Sunday.

That would mean, based on last year's figure, that about 14,000 people attended.

Mr Benger said: "And they stayed

**by Anders Larsson**

around because of the weather. It wasn't too windy, hot or rainy. It couldn't have been better."

He added: "There was a good mix of trade stands and it was a real pleasure to see so many local artisans sharing their passion for their craft by giving free demonstrations and inviting visitors to have a go."

"The main marquees were very popular with many visitors commenting on the high quality and diversity of the delicious produce available in the food marquee."

"The toys and hobbies, vintage, retro and antiques and crafts marquees showed the outstanding talents of our local community and

delighted visitors with their enthusiasm, creativity and willingness to give an insight to the incredible skill and attention to detail required in their workmanship."

He praised everyone who helped make the two-day event such a success and concluded: "The festival is run completely by volunteers who care about our community and the money raised, over £380,000 to date, is donated to a range of local charities and good causes as well as Flamingo Pool."

"Thank you to all who visited and all those that support the show. We hope to see you again next year."

# "Wishing Well" – Axminster's cancer support group.

Come along to our FREE talks

**"WISHING WELL"** is the newly re-launched support group for those touched by cancer and their carers. The group is hosted by the Axminster Health and Wellbeing Centre, Hanover House, Chard Street on Thursday afternoons from 2.30 until 4.30pm and is open to anyone affected by cancer and their carers.

We provide a safe, informative and supportive space where patients, past and present and their carers can get together and share experiences and support one another. The Axminster Health and Wellbeing Centre is the perfect place to host this group as we have many complementary therapists, all of whom are really supportive of what we're trying to achieve. We are hoping that people affected by cancer will find these talks interesting and useful.

Our second talk takes place on Thursday 25th June and will give people an opportunity to meet some of our therapists and also try a free taster if you'd like to.

Sara Waplington, Centre co-ordinator explained "We are able to offer some cancer patients and carers free complementary therapies and we're hoping to receive more funding to enable us to expand this service. We are really hopeful that with a burst of energy we can reach out to and support more people struggling with cancer".

Please call Sara at the Axminster Health and Wellbeing Centre for more information or to book a place on 01297 32331 or email at [sara@axminsterwellbeing.com](mailto:sara@axminsterwellbeing.com). More information about the Centre is available on our website at [www.axminsterwellbeing.com](http://www.axminsterwellbeing.com).

We would also be interested to hear from anyone who would be able to volunteer any time to help the group in any way or anyone who thinks they could offer an interesting talk to the group or has any ideas about what people would find interesting.

## Talk on Seale-Hayne

### SEATON

SEATON WI's June meeting opened with the singing of Jerusalem, accompanied on the piano by Mary Fone.

At the beginning of the business section, recently elected president Denise England thanked the committee for all their hard work in making the streaming of the WI Centenary AGM at Seaton Town Hall such a successful and enjoyable day.

She continued by reading expressions of thanks received from the 12 WI groups who attended.

Members were reminded of the arrangements for the Seaton Tram trip on July 14th.

Provisional numbers were also taken for a trip on the West Somerset Railway in September.

The results of the flower of the month competition were: 1st Zelma Lindsay-Smith, 2nd Jan Probert and 3rd Denise England.

The guest speaker was Emily Van Bliet from the Dame Hannah Rogers Trust. She was an engaging speaker and spoke enthusiastically about the work of the trust, with particular reference to Seale-Hayne (a 92 acre site near Newton Abbot) which provides an extensive range of activities and excellent facilities for children and adults with a wide spectrum of disabilities.

■ THE expansion of Cranberries Luxury Hideaway in Kilmington continues apace with planning approval for a restaurant.

An old garage will be demolished to make space for a two-storey, 80-seat restaurant.

Owner Steven Littley hopes to open it at the end of July, saying the building will be in keeping with the rest of the complex and made of local stone, slate and wood-cladding.

The restaurant will feature a tablet ordering system, which means that customers will key in their order on a tablet at the table as opposed to ordering from a waitress/waiter.

Mr Littley said: "A waitress will still bring the food but you order by tablet."

The next meeting will be held on July 21st at 2.15pm in Seaton Methodist Church Hall and new members are very welcome to attend.

### HONITON AFTERNOON

SHEILA Denny gave a very entertaining report of her visit to the Buckingham Palace WI Garden Party which she, along with the 8,000 other WI members, thoroughly enjoyed.

Many of the ladies lost their beautiful headwear in the extremely windy conditions when back out in the road, some disappearing under the wheels of passing transport!

The police appeared to have had some difficulty enforcing the no camera rule, with many ladies using their mobile phones to capture the moment.

Carol Smyth from Acorn Befriending gave a very enlightening talk about the work of this very worthwhile group, who are active in the Honiton area.

The 26 befrienders visit people who are socially isolated in their own homes due to their circumstances, spending an hour or so chatting to them on a weekly basis.

The names of the clients are obtained from local professionals.

The next meeting of Honiton Afternoon WI is on Monday, July 13th, with a visit from Devon Freewheelers.

### COLYFORD AND DISTRICT FLOWER CLUB

COLYFORD and District Flower Club held an open meeting on June 2nd at Colyford Memorial Hall, where national demonstrator Margaret Fairhurst was welcomed.

Margaret has always loved flowers and started arranging in 1971. From then on, she has travelled around the world to exhibitions, competitions, shows and demonstrations and has a very wide knowledge.

Her demonstration in Colyford was titled "Nature's Beauty" and she started with a rustic basket with tall delphiniums, ferns from the hedgerow, blue ceanothus, hosta leaves, lupins, alliums and peonies to form a lovely arrangement.

She then used a very large piece of driftwood collected from the beach on an iron stand and used elaeagnus, fox-gloves, large heads of marble white prunus, oriental pink lilies, pink carnations, purple lisianthus with fascia and hosta leaves, all linked to a similar arrangement at the base by a purple clematis.

The next display had a South African theme using a large cooking pot, tall phormium leaves, some dyed palm leaves, aspidistra and palm as a background. Margaret then added orange roses and a pinky-orange proteus.

Next came a red and green arrangement, using a stand surrounding an old heather root. Margaret used mostly greenery, such as fatsia, bougainvillea, phormium, completing the display with anastasia chrysanthemums and red roses in the centre.

Margaret then used a very tall, glass vase with some purple sisal inside, with a cascade of vinca ivy, fine fern, hostas and variegated photinia.

She then added lisianthus, lavender and a very unusual lavender colored rose called Ocean Spray.

The final arrangement was a very large one using a china pot with spiraea, variegated euonymus, viburnum, alchemilla mollis and hosta leaves and, creating a centre of colour, single peonies in cerise and peach avalanche roses.

A vote of thanks was given by Janet Durrant. There was no member competition this month but these will resume on July 7th with the theme 'Gardeners' World'.

The meeting will be titled 'Glorious Garden' and the speaker will be Gretchen White from Bishopsteignton, at 2.15pm in Colyford Memorial Hall.

# Same music, new name

THE Swing of the Axe band has changed name to Jurassic Coasters to avoid confusion with a heavy metal outfit.

The band was formed in 2010 by its present leader, Mike Tyler, originally to play at a charity coffee morning in Kilmington.

At that event the band was asked to play at the Kilmington village fete and has successfully moved on since.

Mr Tyler said: "The former name caused confusion and its title meant little outside the Axminster area, and also gave the impression it was a heavy metal band."

"However, the name Swing of the Axe will be retained for purposes archival and administrative."

"The swing style of music, including that of Glenn Miller, and popular bands of the 1930s and 1940s, is not represented by many small bands, thus enabling the Jurassic Coasters to fill an important niche."

The band has performed at events across the south of England, including dances, weddings, anniversaries, local festivals, corporate and public events, Christmas parties and working with many charities.

More information about the band can be found at [www.jurassiccoasters.uk](http://www.jurassiccoasters.uk) or on 01297 34958.

# In depth investigation needed into council's behaviour

**PULMAN'S** View From on June 9th reported on my public speaking to EDDC's full council, where the council chairman decided he did not wish to hear my concerns and stopped me from speaking. Since the council is not interested, I would like to summarise my concerns in a letter.

The background to this is a Freedom of Information request submitted by East Devon resident Jeremy Woodward back in early 2013, seeking information on the council's Knowle relocation project. The Freedom of Information Act is designed to ensure that public bodies operate in an open and transparent manner by allowing citizens to request information, which the council is obliged to provide unless it qualifies under one of a limited number of exemptions.

This request for information was refused by EDDC and a complaint to the Information Commissioner was upheld, but EDDC still did not want to publish information and appealed. The appeal was heard by a court in August 2014, and they finally issued a judgement in March 2015. In this judgement (which is available from the court's website at <http://goo.gl/emjOUY> and which I encourage people to read for themselves and form their own opinions) says:

"This tribunal takes the unusual and unfortunate step of commenting on the conduct of the appeal itself. ... It was not until March 2015 that a fully legible copy of the disputed information was supplied and seemed to be complete. This is, in our collective experience, wholly exceptional and the time spent dealing with what we believe to be five different sets of disputed information is simply not a good use of the tribunal's time nor fair, in terms of delay, to the requester."

"Correspondence on behalf of the council, rather than ensuring the tribunal was assisted in its function, was at times discourteous and unhelpful including the statement that we had the most legible copies possible. A statement, which was clearly inaccurate as subsequently, we have been provided with perfectly legible documents."

"We believe this appeal could and should have been dealt with completely at the hearing in August 2014 and the decision promulgated six months ago had the council discharged its responsibilities properly."

So, the tribunal wanted legible documents, but the council prevaricated, providing five different versions of certain documents (presumably of varying legibility), and made a statement about the availability of legible versions which was later found to be inaccurate. (Or, as the "man on the omnibus" might say, they were caught out in a lie.)

Moreover, since for some years documents have typically been provided electronically from which copies are freshly printed on laser printers when required - the days of illegible carbon copies of typewritten documents or poor quality photocopying are well past. So the "man on the omnibus" might reasonably infer that the council deliberately created illegible copies to submit to the court, and when the court insisted on legible copies they were in the end forced to supply them.

I am not a lawyer, but it seems to me that submitting illegible documents when legible ones were available, perhaps even deliberately creating illegible versions, may be contrary to one or more laws and which needs to be investigated by an independent organisation.

So imagine my surprise when the chief executive announced in council on May 27th that this would be investigated by the monitoring officer, who is also the head of the legal department - a decision with the potential for a significant conflict of interest since the legal department is likely to have been involved in the submission of evidence to the tribunal.

What I wanted to know on June 3rd was why the council leadership felt it appropriate to have an internal review by an officer with potential conflicts of interest rather than a police investigation into improper and possibly illegal behaviour - but unfortunately I was prevented from asking that.

The court also considered the council to be "discourteous and unhelpful" which delayed the judgement by "six-months" - giving the appearance that EDDC deliberately prevaricated and subverted the court process in order to keep the information secret beyond the formal decision to relocate taken on March 25th.

In a BBC Devon radio interview on June 4th, council leader Paul Diviani explained this away by saying that this was an individual and not the council itself

that might (and only might) have been discourteous, and that the individual has apologised (with the presumption that a private apology to the tribunal is sufficient to wipe the slate clean) - but we don't know whether that individual was a councillor or a senior officer, and given the seriousness of the court's comments most people might expect this individual to have gone through a more formal - and open - disciplinary process.

This court judgement was also followed a couple of weeks later by an entirely separate ICO Decision Notice which was equally critical of the council's behaviour - yet at no point has there been any apology to the citizens wrongly refused this information.

So, rather than have independent, open and transparent reviews of the tribunal's "unusual and unfortunate" comments, we have an internal review by a potentially conflicted officer, and rather than a formal

disciplinary hearing for the person who brought the council into serious disrepute by being "discourteous and unhelpful", he makes a (conditional) apology and is allowed to stay anonymous and continue in office without any real consequences. So neither the council, nor the individuals concerned can or will be held to account for lies, false (and possibly falsified) evidence, delaying tactics and clear disrespect for the law and its due processes.

These judgements show a council acting in a thoroughly disgraceful manner to avoid being accountable, and whose response is to continue to avoid being held accountable. What is needed is an in-depth investigation by a truly independent body in order to reassure the public that our council is acting in a correct and responsible manner.

## Our Vision for September 2015

OUR communication and language unit has proved to have a positive impact on children's learning and development.

Our following principles are;  
Children take the lead over their learning.

The environment becomes a third teacher. A triangle exists between the Early Years educators, parent and children.

We truly listen to children, documenting their dialogue and development, then the children children's interests fuel future projects.

In September we will be challenging Literacy in boys with a range of exciting new activities. Our music therapy lessons driven by Music Seeds will continue, alongside our running club, physical education lessons by the Axe Beacon Federation sports coach and our Teddy Bear nature walks.

We have spaces available from September, please book early.

## Pink Hippo Day Nursery

PINK Hippo Day Nursery & Pre-school continues to offer high quality education and care for children in both its 9 place nursery and 31 place pre-school. Due to the strong bonds formed with families and a focus on self-help skills, children who remain with Pink Hippo throughout their early years are confident, ready and able to take the big step to move on to school and greater independence.

The dynamic curriculum and learning inten-

tions are always based around children's individual interests and needs, with an emphasis on the children having a 'hands on' learning experience. Outings into our local community are key to achieving this including Axe Estuary Wetlands, the Donkey Sanctuary, Library, Fire Station and School.

Funded (free) sessions to eligible 2, 3 and 4 year olds are available and the setting has the flexibility to provide ongoing and wrap around care for working parents or those who would simply like their child to socialise with others in a safe, stimulating and fun environment.

Pink Hippo was rated 'Outstanding' in their last Ofsted inspection .... "Children play in a stimulating environment where they are very happy, and there is a happy buzz of activity, songs and laughter throughout the nursery."

## St John's International School

THE Nursery Department at St John's in Sidmouth strives to provide an environment where children can explore, question, investigate, create and imagine.

Nursery follows the EYFS curriculum overlaid with the International Baccalaureate Primary Years Programme for which St John's has accreditation.

The PYP encourages the development of the child as an inquirer and runs from Nursery through to Year 6 of St John's.

Children are encouraged to learn through play and exploration, using the main activity room, sand and craft area and their secure outside area. Our nursery pupils are also able to benefit from using the wider school grounds and facilities wherever possible. Taking lunch in the main school, learning Spanish with the Senior students and joining in with main school events such as Comic Relief, European Day of Languages and Book Week, gives our nursery pupils great confidence and allows for a smooth transition to Reception when the time comes.

## MY DAY AT NURSERY

Whether they are learning Spanish, baking, gardening, counting, reading, enjoying a cooked lunch or simply playing, our nursery pupils are able to make the most of their own secure nursery department and the wider facilities of St John's School. ## Beaminster School

We are proud of our school and its achievements across the entire curriculum.

WE ARE fortunate to have good facilities, high standards of teaching, and supportive, caring staff. As a small, rural school, we know our students as individuals and can ensure that each of them reaches their full potential in whatever field that may be. Our parents tell us that their children feel safe and supported here, and we encourage our parents to play an active part in their child's education.

We have excellent partnerships with our feeder primary schools and the wider community with many students joining us from outside our catchment area.

We can offer a wide range of extra-curricular activities from sporting events, music and the arts to the Duke of Edinburgh Award scheme, along with fantastic opportunities for international trips – we have students off to Borneo for a month this summer, another trip going to New York in the spring, and our bi-annual 3 week trip to India running again later in the year.

We have a successful joint Sixth Form (with the Sir John Colfox School in Bridport) and our exciting new link with Yeovil College starting this year means that we will be able to offer students an even broader choice of study options.

Our Open Evening runs on Tuesday 30th June from 5-7pm and we would be delighted to see you there! Our Summer Concert also runs from 7pm on the same evening and you are warmly invited to attend if you are able.

The Woodroffe School

## Woodroffe Sixth Form geographers study the Jurassic Coast

TWENTY Woodroffe Sixth Form Geography students have just returned from spending three days investigating geographical issues in East Dorset in preparation for their AS exams. Key questions included what are the pressures facing Studland from

both tourism and Sea Level Rise? What impact has the new surf reef at Boscombe had on the town itself? And how is the Jurassic Coast managed? Through techniques such as GIS analysis, photo and map annotation, environmental quality surveys and of course

some statistics in the evenings, they investigated these issues and came to their own conclusions.

This is a very intensive Geographical experience with students working from early morning until late into the evening. Throughout the trip the Woodroffe

Sixth Form students demonstrated decision making skills and teamwork in order to collect and analyse their data. A big well done to the Sixth formers for working so hard and good luck to them all in their exams, they thoroughly deserve it.

What is always evident is that although there are many exciting places to see and visit around the world, there are also as equally interesting Geographical issues right on our doorstep. A stroll along the South West footpath can throw up some very interesting questions!

## Still undecided about where to study in September?

Places still available at The Woodroffe School Sixth Form

**Georgia**

I stayed at Woodroffe because I know everyone and feel safe. I took part in clubs, team sports and jazz band and wanted to continue with the many extra-curricular activities here. This year I'm part of the 45 mile Ten Tors Team and run with the cross country club.

**Ellie**

I feel part of a big family here, there's always someone to support us from both staff and students. I look forward to school each day and am confident that I'll leave equipped to pursue my ambitions.

**Curtis**

I came to Woodroffe from another school and struggled to keep up with my A levels but with the help of Mrs Cropp, the 6th form librarian, I'm managing quite well. The students made me welcome and the social life is good.

**Caitlin**

Having previously aspired to come to Woodroffe for 6th Form, I made the decision to stay at my current school. After three days in their 6th form I knew it wasn't for me and made the decision to start at Woodroffe. I was welcomed with open arms by students and staff and quickly became involved. I sing with the choir, do lots of sport and have joined the French exchange.

### The sixth form offers:

- A uniquely supportive and friendly environment
- A wide range of A-Level courses
- Excellent facilities, including a large common room and a dedicated sixth form library
- Highly skilled teaching staff
- A very low drop out rate compared to other institutions
- A fantastic range of extra-curricular activities
- Intensive support with university applications

Ofsted described the sixth form as 'a highly successful sixth form' with 'dedicated and passionate leadership', and noted that 'Students who join the sixth form from other schools are welcomed equally and settle in quickly'.

### The Woodroffe School is:

- A high attaining academic institution
- A National Teaching School
- A Cultural Education Lead School
- Ofsted 'outstanding' for the quality of Teaching
- A National Maths Hub

Students join us from all over Dorset, Devon and Somerset. Students who leave us in Year 11 to join other institutions often return after a few weeks away!

# ARMED FORCES DAY

Saturday 27 June 2015

A chance to show your support and #SaluteOurForces for all they do

# National Armed Forces Day 2015

## What?

Armed Forces Day is a chance to show your support for the men and women who make up the Armed Forces community: from currently serving troops to Service families, veterans and cadets. There are many ways for people, communities and organisations across the country to show their support and get involved, from attending an event or joining

us online to throwing a party or local event.

## When?

Armed Forces Day takes place on Saturday 27 June.

Armed Forces Day celebrations begin on Monday 22 June when the Armed Forces Day flag is raised on buildings and famous landmarks around the country.

Reserves Day on Wednesday 24 June will provide an opportunity for the country to recognise our Reserve Forces.

## Where?

The National Event will be held in Guildford and local events will be taking place across the country.

## Why?

Showing support for the Armed Forces provides a much valued morale boost for the troops and their families. You can find out more about what they are doing at home and around the world by visiting the official sites of the Royal Navy, British Army and Royal Air Force. The public show their support for the Armed Forces on Armed Forces Day, but did you

know the Armed Forces Covenant outlines how the Government, businesses and communities support Armed Forces personnel past and present throughout the year?

## Who?

### The Armed Forces

The UK Armed Forces defend the UK and its interests. They are busy working around the world, promoting peace, delivering aid, tackling drug smugglers, providing security and fighting terrorism.

## Veterans

A veteran is anyone who has served in the HM Armed Forces at any time (including National Servicemen, Regulars and Reserves). Armed Forces Day celebrates their continued role within the military community.

You can find out more information about support for Veterans on the Veterans-UK website or by calling Veterans UK on 0808 1914 218.

## Reservists

Reservists give up their spare time to serve in the Reserve Forces, balancing their civilian life with a military career to ensure that should their

country require them, they would be ready to serve.

An annual Reserves Day celebrates their contribution to the Armed Forces and this year takes place on Wednesday 24 June.

## Cadets

The Cadet Forces (Sea Cadets, Army Cadets, Air Cadets and the Combined Cadet Force) currently support over 130,000 young people in more than 3,000 locations across the UK. Cadets learn life and career building skills as well as gaining vocational qualifications.

## Families

Our Armed Forces couldn't do their job without the incredible support of their family and friends.

## Charities

Although Armed Forces Day is not a charitable event, the Armed Forces have the support of several UK charities and many local events will offer opportunities to support them. To find out more about Armed Forces charities please see [www.gov.uk/donations-to-support-members-of-the-armed-forces](http://www.gov.uk/donations-to-support-members-of-the-armed-forces)

## The Royal British Legion

### Who We Are

The Legion is a big family - all supporting the Armed Forces community.

- We are a benevolent charity giving help to those most in need;
- A membership organisation providing support to 360,000 members;
- A campaigning organisation challenging those in authority;
- A fundraising organisation reliant on a huge network of volunteers;
- The nation's custodian of Remembrance

### Members

Members of the Legion care about the lives of the Armed Forces family, past, present and future. Our members don't all have a Service background but they do share comradeship and common goals. They add strength to the impact of our campaigning work; shape the way the charity itself evolves; enjoy concessions, social and sports events; give time to help our beneficiaries and fundraise for the Poppy Appeal.

### Volunteers

Volunteers are the lifeblood of the Legion. There are lots of ways people help as a volunteer, depending on their circumstances.

Some volunteer throughout the year or just during the Poppy Appeal. Some work with our fundraising teams either on their own event or with their company, group, cadet unit, university or regiment. Other volunteers help our welfare teams, delivering the vital support we provide to the Armed Forces family.

### Throughout the UK

The Royal British Legion provides support to all members of the British Armed Forces past and present, and their families via with offices throughout England, Wales, Northern Ireland and the Republic of Ireland and in partnership with Poppyscotland. We also have an extensive network of branches throughout the UK and overseas.

# Summer Rep Season launches with Hay Fever

WEEKLY rep returns to the Manor Pavilion Theatre in Sidmouth next week, when The Summer Rep Season 2015 opens with a new production of Noel Coward's 'Hay Fever' from Thursday, June 25th to Wednesday, July 1st 2015.

The Summer Rep Season sees one company of actors present a season of twelve classic revivals throughout summer, with a new production each week until the end of September.

Season producer Paul Taylor-Mills said today: "This is my third year producing the Summer Rep Season at the Manor Pavilion Theatre, and this is by far the most ambitious. Audiences can expect West End production values and phenomenal performances from our repertory cast. Hay Fever is the perfect summer treat and a brilliant way to launch this year's season".

Set in 1925, Noel Coward's Hay Fever is a quintessentially English comedy set in the country estate of the eccentric Bliss family. From Judith, the recently retired but once glittering star of the London stage, to her husband David, an egocentric novelist, and their two bohemian adult children Sorel and

Simon, they are everything a respectable English family shouldn't be. When each member of the family invites a guest to their rural retreat, the unfortunate weekend guests - a diplomat, a flapper, a fan and a vamp - are repeatedly thrown into scenes of chaos, misjudged meetings, secret seductions and scandalous revelations during one outrageous weekend in Berkshire.

With its wit, precision and sheer outrageously, Noel Coward's Hay Fever has been a favourite among theatre goers since it first dazzled London's West End in 1925.

The cast features Nova Skipp as Judith Bliss, Francis Adams as David Bliss, Evie Lockley as Sorel Bliss, John Askew as Simon Bliss, Hannah Vesty as Myra Arundel, Russell Anthony as Richard Greathan, Sarah Dungworth as Jackie Coryton, Ethan Chapples as Sandy Tyrell and Julie Ross as Clara.

Hay Fever is directed by Lillie Collier.

The Summer Rep Season 2015 is directed by Paul Taylor-Mills (*Out of Order*), Lillie Collier (*Hay Fever, Boeing Boeing*), Stuart Burrows (*Amy's View, Rope*), Andrew Beckett (*Joking Apart*,

*The Mating Game, Hound of the Baskervilles*), Max Reynolds (*September Tide*), James Murphy (*Sweet Revenge, Wait Until Dark*) and James Pellow (*The Importance of Being Earnest*). It is produced by Paul Taylor-Mills and Lillie Collier with Associate Producer Kylie Vilcins. It is designed by David Shields with costumes designs

by Barbara Williams and lighting by Tony Hill.

Performances take place at 8pm each day (no performance on Sunday). Tickets are £15/£14 adults, and £8 for under 16s, and season tickets are available. For more details call 01395 514413 or visit [www.manorpavilion.com](http://www.manorpavilion.com)

## Jazz in July at the Arts Centre

ILMINSTER Arts Centre is jazzing up July with a mini music festival dedicated to the world of jazz. There will be a concert every Friday night in July, each one showcasing a different style of jazz, from ragtime to the soulful rhythms of Southern Blues via the urban cool of 1950s bebop and the infectious riffs of modern mainstream jazz.

On Friday, July 3rd Mike Denham hosts his 16th SpeakEasy at the Arts Centre. With special guest John Wurr, they will be playing tunes from the dawn of jazz through to the 1950s, featuring vintage ragtime and tunes from Tin Pan Alley and Broadway.

On Friday, July 10th the Chris Gumbley Quintet will be 'playing tribute' to the great 'Cannonball Adderley', a legendary saxophonist in the exhilarating 'hardbop' style of the 1950s and 60s.

The concert on Friday, July 17th welcomes the last of the original Louisiana bluesmen, L'il Jimmy Reed to Ilminster for a mesmeric evening of authentic Southern blues of the style that influenced so many in the 1960s, such as the Rolling Stones.

On Friday, July 24th two superlative Scottish jazz musicians perform their

dazzling interpretations of the great American songbook. Saxophonist Tommy Smith and Brian Kellock on piano have been wowing audiences from Montreal to Edinburgh with their beautiful, accessible music – now it's Ilminster's turn.

'Jazz in July' concludes on Friday, July 31st with a performance of feel-good mainstream jazz by the ever-ebullient Digby Fairweather and his HalfDozen. Guaranteed to lift the spirits and set the joint jumping!

'Jazz in July' organizer Tony Hayward says, "These concerts are a fantastic way of exploring the world of jazz in its many moods, and we are delighted to be welcoming such a wealth of high-calibre musicians to the Arts Centre."

## Peco's Midsummer Night's Dream

A VERY different type of event will take place in the grounds at Pecorama on the evening of Saturday, June 27th, when the Inn Theatre Company will perform Shakespeare's 'A Midsummer Night's Dream'.

The 30-strong Company will perform the popular family play at the Top Spot stage. Ticket holders will be encouraged to bring along their own picnics and bottles of bubbly and soak up the atmosphere, in what we hope will be the first of many such events.

The Theatre Company were first formed in 2002 by a group of friends having a drink in the Cherub Inn in Dartmouth (hence the name) and their first open-air Shakespearean production was 'Twelfth Night' at Dartmouth Castle in 2003.

The woman whose idea it was originally, Jane Windsor-Smith, is the company's present Artistic Director. Every year since the formation, the company have strived to improve and take bold steps in their presentation of Shakespeare, always seeking to make it more accessible and to give lie to the oft-voiced opinion that 'Shakespeare is too difficult to understand for a modern audience'. That they have succeeded is beyond question. Their patron, Michael Corbridge, senior voice and text coach for the Royal Shakespeare Company says this of them:

The Inn Theatre Company has been affiliated to the Royal Shakespeare Company since 2011 and their Dartmouth Shakespeare Week production for 2015 is the sublimely silly and anarchic 'The Merry Wives of Windsor'. And once again they are pushing themselves above and beyond, testing their own limits directed by the supremely talented Jill Brock, who also played Katherine in *The Shrew*.

Do not worry about the weather; should poor weather prevail, ticket holders will be seated under cover of the Poco Marquee.

Tickets are limited so advance booking is advisable. Adults £10 Children £8, with tickets on the gate being Adults £12 and children £10. Please call on 01297 21542 to book! Gate opens at 6.30pm.

## Clive Smith and Arcadia Jazz to open Music in the Garden season

WEEKLY Saturday morning free 'Music in the Garden' events in the beautiful Courtyard Garden at the Old Courthouse, Church Street, Axminster will be launched by the ever popular Clive Smith and his Arcadia Jazz Band on Saturday, June 27th from 11am - 1pm.

This event has become an annual highlight for many people; with a cross-section of musical events taking place each Saturday morning throughout July, August and September. A programme is printed here and can also be obtained from the Arts Café.

A visit to Axminster is not complete without going to the historic grade II listed Old Courthouse building, complete with two old police cells. A warm welcome and some tasty menu options await you at the Arts Café. Gluten-free bread and cakes as well as soya milk are always available. Dogs on leads are welcome in the courtyard garden, where there is also plenty of space for cyclists' bikes. Colouring sheets are available to keep children amused, while they are waiting for their food.

Every visit you make to the Arts Café will help Axminster Arts carry on using part of the Old Courthouse: a special piece of Axminster's heritage, as well as giving support to 'the Arts' in Axminster.

## The Purple Haze tour heads to Winstons

THE HENDRIX ALIVE PROJECT is a tribute to Jimi Hendrix, started in Holland in the autumn of 2006. Peter and Eelco played together for many years when finally they got the plan together to start a Jimi Hendrix Tribute band.

Within weeks they found a good drummer to complete the band and rehearsals started. Within a couple of months they managed to play more than 35 songs of Jimi Hendrix and then in 2007 they hit the road.

They put themselves on the map when they played several shows in The Clash of the Coverbands band competition and soon they played everywhere of Holland. In 2009 the band went through another barrier by making their first abroad tour in the UK.

The shows of the Hendrix Alive Project can be described as wild, loud and exciting and their sound is very close to Jimi Hendrix himself.

The Hendrix Alive Project play at Winstons Bar & Restaurant in Seaton on Saturday, June 27th as part of their Purple Haze UK Tour. Tickets are £5 in advance or £8 on the door. There will also be a rock disco and late bar on the night. For more details on the band search 'The Hendrix Alive Project' on Facebook.

## Review: CLOKS Guys and Dolls dress rehearsal

MEMBERS of Chard Local Kids Society for Music and Drama (CLOKS) will show off their talents in a sparkling production of the famous 1950s Broadway musical about New York gangsters and their 'dolls'.

The story of how shy, mission preacher Sister Sarah Brown (Otterly Farey bringing a sweetness and calm reserve to the role) and inveterate gambler Sky Masterson (John Davis, understated but quietly convincing) unexpectedly fall in love provides the central plot line but the comic, ongoing 14 year-long engagement between crap playing Nathan Detroit (Jake Crump, loud, lying, cheating but warm at heart) and his cabaret artist, the long-suffering Miss Adelaide (Grace Evans giving an excellent, bright, lively performance) offers a more down-to-earth idea of love and marriage.

The production has some great song and dance numbers. I loved 'Sit Down You're Rocking the Boat' in which the whole cast, led by Gabriel Swarbrick's accomplished

By Helen Rose

Nicely Nicely Johnson, worked particularly well as an ensemble. There were also some lovely duets; Otterly Farey and John Davis were charming in both of theirs whereas Jake Crump and Grace Evans offered something more sparky and combative.

Musical direction was by Jonathan Farey, assisted by his daughter Jemima, and yet again this CLOKS production boasted impressively high standards for the musical numbers. Producer, director and choreographer Maria Farey always works wonders with her cast of over 40 youngsters and this production is well worth seeing - this is amateur youth theatre of which Chard should be immensely proud.

If you haven't been to a production before I urge you to go and see what this young company can offer. It's a good evening's entertainment; shoe-tapping songs, well-paced production and the sort of energy and enthusiasm which only young people can generate. See the advert below for performance details.

HARRIS Lets is pleased to announce that Kerry Hopson has passed Unit 1 Health and Safety, Security and General Law & Unit 2 Legal Aspects of Letting and Management of the NFOPP Level 3 Technical Award in Residential Letting and Property Management. This is part of the Harris Lets continued staff development and training structure. Our training structure is in place to ensure the best possible service and knowledge is available to our clients.

Both our Axminster and Seaton offices now have ARLA qualified Letting Agents in situ. You can be safe in the knowledge that we will expertly guide you through the letting process and legal minefield that

is involved in letting your property.

Kerry says "I started working as an apprentice in January 2011 aged 24 having no previous experience in the lettings industry. Through perseverance, determination and help from my employer and colleagues I learnt quickly and built good relationships with our landlords, tenants and contractors.

Recently, I have worked more in our Axminster office learning new routines and procedures as well as different landlords and tenants which has been an exciting challenge and honourable responsibility. I look forward to completing and passing the last 2 units of the course and becoming a professional,

registered ARLA agent.

I would like to take this opportunity to thank Mike Harris, my colleagues, friends and family for their continued support".

Harris Lets has been trading in Axminster for some 6 years and Seaton for 18 months. Our business is going from strength to strength with service and local knowledge that cannot be matched.

We offer unrivalled value for money with the tenant find service being just 60% of the first month's rent and our full management service is 10% of the monthly rental.

We will not charge any set up, marketing or miscellaneous administration fee's and offer excellent customer service whilst

delivering an efficient professional service to our landlord's.

If our standard letting packages are not for you we can tailor make them to suit your individual requirements.

Our marketing strategy is to be seen! We use the Midweek Herald and ViewFrom Series of newspapers, 'To Let' boards and fliers, our own easy to use website, Zoopla and Prime Location property portals for the further afield clients and more tech savvy amongst us!

## Volkswagen Commercial Vehicles Unveils New California

VOLKSWAGEN Commercial Vehicles is set to kick-start the summer holiday season with the official unveiling of the new California. Based on the recently revealed Transporter T6, the new California remains the only factory-built camper van on the market, and offers a host of improvements and new features for buyers who want the ultimate home from home.

The new California is the fourth model to bear the name, and builds on the strengths of its

highly successful predecessors. The range incorporates all the key features introduced on the new Transporter T6, including new, more efficient engines that are up to 15 per cent more economical than the outgoing units. The new California also features a range of advanced technologies designed to make life safer and even more enjoyable for occupants. These include driver assistance systems, a completely refreshed infotainment system and the availability

of adaptive suspension.

The launch engine range includes both diesel and petrol options, along with DSG and 4MOTION four-wheel-drive derivatives. Power outputs for UK models range from 102 PS for the entry-level 2.0-litre TDI engine (Beach models only) up to 204 PS for the 2.0-litre TSI petrol unit (Ocean models only).

Naturally, the new California retains the legendary practicality and storage ingenuity of its predecessor. Available in two forms; Beach and Ocean (which replaces the current SE model), the California can sleep four occupants courtesy of its acclaimed pop-up roof (electro-hydraulic on Ocean models) that neatly integrates a 1.2m x 2m double bed. Ocean models also feature a fully-equipped kitchen, complete with 42-litre refrigerator, twin-burner hob and stainless steel sink unit. Ocean models also gain a dimmable LED lighting system for the pop-up roof and tailgate and a clever multi-functional holder for the rear compartment that incorporates a cup, ashtray and towel holder all in one.

Driver and passenger safety is another area where the new California excels. Among the many advanced features introduced on the fourth-generation models are a Driver Alert System, Brake Assist and an Automatic Post-Collision Braking System. The former is fitted as standard on all models and can detect any deviation from normal steering patterns. If deviation is detected, the system uses visual and acoustic warnings to recommend that the driver takes a break. Brake Assist adds another layer of security by registering the speed at which the brake pedal is pressed. During emergency braking, it ensures full brake pressure is applied more quickly. Finally, Volkswagen's acclaimed Automatic Post-Collision Braking System triggers braking after a collision, with the aim of preventing secondary collisions. After a short delay, the vehicle begins a phased braking action down to 6mph, during which the driver can take control at any time.

UK prices and final specifications for the new California range will be announced shortly.

## 308 GTi by Peugeot Sport: The car for Thrill-Seekers

▲ PEUGEOT 308 GTi

EVER since the acclaimed PEUGEOT 308 was voted 'European Car of the Year', enthusiasts have been asking one question – when will the Brand launch a more extreme performance-oriented 'hot hatch' version following recent sportier GT Line and GT models?

Now we can welcome ..... the 308 GTi by PEUGEOT SPORT.

Powered by a highly-efficient 1.6-litre THP Stop&Start (S&S) petrol engine and extensively developed by PEUGEOT SPORT, this latest PEUGEOT GTi is offered in two versions with 250hp and 270hp outputs both delivering impressive performance. Inspired by a rich PEUGEOT pedigree in GTi models, the 308 GTi has been developed to have a capable chassis that produces top-level road holding

and driving pleasure, with fun and ultimate performance enhanced by the Torsen® limited-slip differential equipping the 270hp model.

The clean lines of the modern exterior style takes the Brand's now-familiar design language in a more assertive and contemporary direction. Inside, the PEUGEOT i-Cockpit cabin has been enhanced to reflect the sporting nature of the car, with additional detailing to signify this performance flagship.

Exhibiting exceptional dynamic prowess was the number one goal during development, but the Brand's reputation for class-leading environmental credentials has not been sacrificed. The powerplant is the most efficient in its sector, with CO2 emissions of

just 139g/km and fuel economy of 47.1mpg – impressive numbers for such a capable and sports-oriented model.

The 308 GTi by PEUGEOT SPORT makes its world debut at this year's Goodwood Mowing Motor Show and Festival of Speed, over 25th – 28th June.

### A stunning and purposeful exterior

From the very beginning, PEUGEOT knew that designing the most radical model in its range, then creating a top class driving experience for a particularly demanding set of enthusiastic-driving customers was a tall order. Rising to the challenge required a development team infused with a passion for performance and the obvious solution was to challenge the experts: PEUGEOT SPORT engineers, with a wealth of international expertise in the field of motor sport and top level racing.

The visual enhancements they have made to create the 308 GTi by PEUGEOT SPORT are obvious from every angle. Boasting exclusive styling front and rear, the car sits 11 millimetres lower to the ground than the standard 308. The nose features full LED headlamps, flanking a new black radiator grille with a horizontal chequered pattern and gloss-black finishing. The same motif is echoed on the air intake, which is surrounded by sequential LED indicators and a red detail strip (chrome on Ultimate Red cars). Below the bumper, two front spoilers boost aerodynamic performance.

In profile, the redesigned door sills hint at

the car's aggressive nature, while the sleek new rear design features a gloss-black section housing the twin exhaust pipes. The GTi signature of the car is clearly visible on the front wings and tailgate.

With a wider track of 1,570mm at the front and 1,554mm at the rear, the 308 GTi has been engineered to offer exceptional grip. GTi 250 versions are shod with 225/40 R18 92W Michelin Pilot Sport 3 tyres on 'Diamant' alloy wheels, while the GTi 270 versions feature the new 19-inch 'Carbone' light-weight alloy wheels and are equipped with Michelin Super Sport 235/35 R19 91Y tyres, which showcase the 380mm front discs, complete with solid red four-piston calipers and PEUGEOT SPORT signature.

A 'Coupe Franche' two-tone design is ex-

clusive to the GTi 270 version – RRP £1,300 - and contrasts the vibrant new 'Ultimate Red' colour with Nera Black. The 308 GTi is also available in the new Ultimate Red, Pearlescent White, Magnetic Blue, Nera Black, Cumulus Grey as well as the standard colour, a non-metallic Hurricane Grey.

### A dramatic new interior

The interior styling of the 308 GTi by PEUGEOT SPORT is in keeping with its performance-oriented exterior, and outstanding attention to detail is everywhere. Red stitching is used on the upholstery, door panels, gear lever and luxury floor mats. The door sill carries the GTi and PEUGEOT SPORT signature and is finished in aluminium. The same material is used on the pedals, foot rest and gear knob.

# Mercedes-Benz: An SUV that fits the bill to perfection

THE second generation of the mid-range SUV from Mercedes-Benz goes by the name of GLC and represents a big step forward on several fronts: On a technical level the new SUV clearly makes its mark with the excellent standard of safety that is a brand hallmark, featuring state-of-the-art assistance systems and outstanding energy efficiency. Fuel consumption has been cut by up to 19 per cent in comparison to the previous model. At the same time, the AIR BODY CONTROL multi-chamber air suspension that is without parallel in this segment, the extended range of DYNAMIC SELECT dynamic transmission modes and the 4MATIC permanent all-wheel drive increase not only the ride comfort, but also the vehicle's sporty agility – whatever surface it is driving on. Visually, the body follows the clear and sensual design idiom which was demonstrated so successfully by the GLC Coupé showcar concept in the spring, and which serves as the standard for future SUV models.

"Our new GLC represents a further, systematic step in the implementation of our successful SUV philosophy. It combines the ultimate in driving comfort with a sporty touch, impresses on the road and – more than ever – off it as well, and appeals to the eye with the new design and equipment line," says Thomas Weber, member of the Management Board of

▲ Mercedes-Benz GLC

Daimler AG and responsible for Group Research and Mercedes-Benz Cars Development.

The design philosophy behind the new GLC essentially favours sensual purity and a modern aesthetic over the classic off-road look. The dynamic design exudes emotional appeal while also employing purist forms. Surfaces embodying a degree of tension and precise lines cite the clear design line followed by all state-of-the-art SUVs from Mercedes-Benz. The GLC only represents a departure from its

progenitor – the G-Class – in terms of appearance, however. On a technical level it sets new benchmarks in all disciplines – the mid-size SUV's off-road capabilities remain as outstanding as ever.

The characteristic SUV front with a short, succinct overhang, upright, three-dimensional radiator grille with a twin louvre and centrally positioned brand star follows the successful new design line. Striking headlamps, optionally available as LED High Performance lamps, lend the GLC a self-confident look which is further emphasised by their distinctive night design. The bumpers with integrated underguard come in three variants: in addition to the base version there is a version optimised for off-road use with a larger angle of approach/departure, plus a particularly sporty AMG variant.

The side view showcases the almost coupé-like greenhouse, which together with the 118 millimetres larger wheelbase lends the GLC an elegant long profile. This impression is further reinforced by the gently sloping dropping line which is a hallmark of the brand and by the powerful shoulders. The rising lower feature line also enlivens the vehicle's side view. Matt black cladding in the wings, wheels up to a size of 50.8 cm (20 inches) and the optional side running board provide clear indications of the GLC's off-road credentials.

## Sidmouth toppled by league leaders

Seven up Whetlors cleaves through Clyst - Honiton 2nds march on

### Honiton 1st XI v Tiverton 1st XI

HONITON looked to bounce back after last week's poor performance and, having been put in bat, they responded well scoring 228 for 8.

Pete Matravers top scored with 57, skipper Rob Ingram made 40no and Adrian Pullin 32.

In reply Tiverton managed to get over the line for the loss of eight wickets in the closing overs with Adrian Pullin taking 2 for 12.

Ingram was quick to highlight why his team had lost: "Our fielding just wasn't good enough today, dropping catches costs you - we need to improve."

### Honiton 2nd XI v Filleigh 2nd XI

ANDREW Lapping's men looked to take make it five wins in a row having won the toss elected to bat first.

Pete Beighton top scored with 42, Phil Tansley hit 37 in quick time, then Corey Lapping chipped in with 22 at the end to help the visitors post 170 for 9 when a smaller total looked on the cards after a flurry of wickets.

Filleigh never looked to challenge that total as they lost wickets at regular intervals. Ian Kelly (3 for 28) and Will Cowley (3 for 34) combined to take care of the main order with Richard Hill striking twice to polish off the innings.

Skipper Lapping was pleased with the work rate of his team, he said: "Our fielding and bowling is really good at the minute, which is getting the job done for us."

"We are on and roll but next week will be a good test for us in the derby match against top of the table Feniton."

**racing point-to-point****End of fine season**

THE Wessex Point-to-Point Area's six main awards, sponsored by Spillers Horsefeeds, will be presented at the end of season party on Friday, July 3rd.

Leading gentleman rider is Somerset-based Will Biddick, who was also crowned National Champion for the fourth time at Saturday's Torrington Farmers meeting at Umberleigh, Devon, breaking the all time national record.

Biddick rode 68 winners this season, the majority provided by Henley, near Crewkerne, handler Jack Barber, 23, the country's leading trainer with 51 successes.

Both Jack and Will are runaway winners of two of the Wessex Area championships (Leading 10+ horses Trainer and Leading Gentleman Jockey respectively).

Quantocks-based trainer Teresa Clark takes the award for yards housing nine or fewer horses for the first time, with Chloe Newman and Keith Cumings hot on her heels. Teresa saddled eight winners in Wessex during the season, including a purple patch of five consecutive winners in May.

Leading Lady Rider is Alice Mills, who has just announced her retirement from point-to-point racing to take out a professional jump and flat licence to ride under Rules.

Harry Cobden (16) who landed three National championships – the Fuller's Brewery National Mens Novice Riders title, the Dodson & Horrell Wilkinson Sword (for leading male novice under 21 rider) and the Harley Racing National novice riders' race championship – scooped the remaining two Awards.

He wins the Wessex Leading Novice Rider Award and the Wessex Leading Owner Award, largely thanks to his partnership with his own prolific Cock Of The Rock, a 10yo gelding with five of his seven wins in Wessex.

Cock Of The Rock is trained by Mosterton's Rachael Green, who netted the Connolly's Red Mills sponsored national award for yards with seven or fewer horses.

Full details of the awards, plus those already presented at meetings during the season, can be found on the Wessex Area website – [www.pointingwessex.co.uk](http://www.pointingwessex.co.uk) – as can further information regarding the end of season party.

◆ A WELCOME IN THE HILLSIDE: The Welsh Trail Half Marathon Honiton runners

◆ TOP THREE: From left - Darren Herbert, (3rd), Dave White (winner) and Ryan White (2nd)

FOURTEEN members fished the Wednesday League competition at Lyme Regis for most species.

There was crystal clear water but a swell was whipped up by the wind which made fishing extremely hard with five members failing to bring fish to the scales.

The overall theme for the night was to catch a Ballan Wrasse before sunset then target the other species.

The weigh-in showed the difficult conditions with Ballan Wrasse, Dog fish and Hussy being the most weighed fish, with lots of mini species also caught.

Lee Chard managed a nice Scad just before the end of the competition to secure his two points.

The results were; 1st Dave White with a (Ball Huss, Dog Fish and a Ballan Wrasse). Second place went to Ryan White (Ball Huss and Dog Fish) and Darren Herbert (Ballan Wrasse and Pout) was third.
